A LAND OF FANTASY CREATED FOR THE CP

CP SYSTEM
No.11

An expansive world of fantasy, similar to those made popular in home computer and board games, finally implemented through the full power of Capcom's CP System for incredible realism and graphics of masterpiece quality. In this game, Capcom has implemented many revolutionary new ideas in animation to make the characters come alive. The world of fantasy unfolds over the course of 50 levels, each individually crafted to capture the hearts and minds of players everywhere.

<STORY>

"I will battle the Heals of Hell and destroy the evil crystal, 'Black Orb', so that light may live again." A brave man has risen to defeat the demon "Draumar", who has revived to create a lifeless earthly hell. The brave one must battle his way to the 50th floor of the Dragon's Tower using his skill with sword and magic to defeat the multitude of evil minions, Chimera, Orcs, Dragons, Trolls...all wait to taste his blood.

THE 8 ALLIES OF R

Bigman Attacks with a booming axe		Ninja Throws multiple shuriken which rebound off walls and floors	
Thief Throws powerful bombs. Has a special talent for sniffling out hidden treasure.		Wizard Uses powerful magic spells	

Reaching the top floor alone is a difficult task for even the greatest of warriors. However, the Dark Lord has captured a number of warriors that fight at your side if you release them. Each has special abilities which prove invaluable to you. You can only have one ally at your side at a time, are free to change allies at any time. Select the warrior who can best aid at the moment.

SYSTEM

WISDOM AND COURAGEOUSNESS!

Amazon Very talented, highly trained archer.		Priest His missiles of light and spiritual power are especially devastating to the undead.	
Wizard In his spare, he has the potential to be the most powerful wizard in the land.		Lizardman Strong and cunning with a sword.	

Amazon will increase in ability to 6 different levels. If you keep the same ally for a long time, his level will increase more quickly.

"Trap!"
A skeleton will appear from the cell behind of the trap.

CHOOSE YOUR STARTING POINT!

If you do not wish to start at the beginning, you may choose to begin at floor 5, 9, 13, 22, 26, 30 or 33. No more wading through the early stages to get to the new. You can even start at a stage far beyond what you have previously achieved to "try your mettle" against the lords of that level.

OBTAIN 6 DIFFERENT SWORDS!

Six legendary swords of power are guarded by major missions of Drakmar. Conquer them and acquire such swords as the Sword of the Earth, the Sword of the Sun or, the most powerful sword, the Sword of the Thunder God.

Sword of the god of thunder

24 ITEMS

There are 24 different items to collect including 8 magic items which each last 2 floors.

<Mighty 8 Item>

Gauntlet Increases attacking force.	King's crown Increases defense force.	Magic potion Allows magical force to build up faster.
Pendant Doubles all points obtained while holding it.	Golden pot Helps ally heal faster.	Scroll Makes more items appear.
Crystal ball Finds hidden treasure chests.	Diamond ring Allows the Lordship and Thief to be allies.	Trap! As you open a treasure chest, a skeleton will appear from the cell behind of the trap.

"Trap!"

Go for the top
floor of the
Dragon's Tower.

AND BUIRONS

STA

Battle through all
50 floors with sword
and magic!
